

25th Annual Putnam County Spelling Bee

to perform: **December 13, 14, & 15, 2018**

PLEASE READ!

Bears,

Thank you **so much** to all who auditioned for Bear Stage's senior directed production of *Spelling Bee*. You all had **wonderful auditions** and did not make this an easy decision for the panel or myself! I'm so proud of all of you who tried out, but unfortunately, this particular production calls for minimal casting, which means I couldn't put everyone into the cast.

Your audition panel spent the afternoon, late evening, and rest of the day Friday discussing which of you would be cast, and honestly, it took *forever!* We did our best to accommodate each of you. I love you all, and please know I *want* to give you everything you *want*.

You see, casting a show is **not** about who is the most talented or the most experienced. Remember, casting a show is by no means personal—**this is why we use anonymous numbers and not your names**. It's about who is the **best choice** for these **specific parts**, with these **other cast members**, at this **specific time**. It's like putting together a **very complex puzzle**. Your **chemistry, collaboration, and ability to take and apply notes** during callbacks were taken into **great consideration** when casting this production.

For those of you who got a part, congratulations! **You've got a lot of hard work ahead of you!**

To those who did not, *I am so sorry!* **Please know that I care about you** and did everything possible to be fair and objective in this process. You have no idea how **difficult** these decisions were!

Attention, please mark your calendars for the following important dates:
